

“My Life Portrait” – Personal Vision

Vision is the answer to the question, “What do I want to create?” It is a clearly articulated picture of a future that you want to create. It is a dream with direction. Committing to a vision will turn paralyzing stress into energizing passion. Your vision will be a picture of what it will look like when you are fulfilling your purpose and living your values on a consistent basis. – Jesse Lyn Stoner, Author *Full Steam Ahead*
